## ABOUT

I'm an experienced and skilled frontend and mobile app developer with a strong background in developing user-friendly and visually appealing websites and mobile applications using a variety of languages and frameworks such as REACT JS and REACT NATIVE. I have proven ability to work independently and as part of a team to deliver high-quality software on time and within budget..

My skills include having the ability to listen and communicate with others verbally and in writing. This is very important in order to collaborate with team members and solve problems. I have excellent problem-solving skills and the ability to work effectively while meeting tight deadlines.

## SKILLS

- ★ Frontend development: HTML, CSS, JavaScript, ReactJS, NextJS, Bootstrap, Chakra UI
- ★ Mobile app development: React Native
- ★ User interface design: Adobe Creative Suite, Figma, Miro
- ★ Project management: ClickUp, JIRA
